Dear Representative LaTourette,

As a REALTOR, and member of the Ohio REALTORS, I am asking for your support to bring House Bill 211 - our top legislative priority for 2018 - to the floor for a vote. House Bill 211 has passed the House Economic Development Commerce and Labor Committee by a 12-2 margin and should be brought up for a vote. House Bill 211 proposes much-needed consumer protections in the home buying process.

Home inspection remains one of the last unregulated acts in the home buying process. The inspection report often serves as the final say in what is undoubtedly the largest financial investment a consumer will make in their lifetime. House Bill 211 simply establishes basic, common-sense standards for education and licensing of inspectors. More importantly, it provides multiple avenues for existing inspectors to continue their business operations.

We are hopeful that with your support, House Bill 211 can be placed on this week's calendar for a vote. Your vote in support of this bill will ensure that when a consumer hires a home inspector, the inspection is being done by a qualified inspector with the knowledge and background to provide a quality inspection report. House Bill 211 is supported by both REALTORS and the Ohio Chapter, Southern Ohio Chapter and the North Central Ohio Chapter of the American Society of Home Inspectors members.

We ask for your SUPPORT of House Bill 211.

Sincerely,

Mary Lou Douglass

Dear Representative LaTourette,

As a REALTOR, and member of the Ohio REALTORS, I am asking for your support to bring House Bill 211 - our top legislative priority for 2018 - to the floor for a vote. House Bill 211 has passed the House Economic Development Commerce and Labor Committee by a 12-2 margin and should be brought up for a vote. House Bill 211 proposes much-needed consumer protections in the home buying process.

Home inspection remains one of the last unregulated acts in the home buying process. The inspection report often serves as the final say in what is undoubtedly the largest financial investment a consumer will make in their lifetime. House Bill 211 simply establishes basic, common-sense standards for education and licensing of inspectors. More importantly, it provides multiple avenues for existing inspectors to continue their business operations.

We are hopeful that with your support, House Bill 211 can be placed on this week's calendar for a vote. Your vote in support of this bill will ensure that when a consumer hires a home inspector, the inspection is being done by a qualified inspector with the knowledge and background to provide a quality inspection report. House Bill 211 is supported by both REALTORS and the Ohio Chapter, Southern Ohio Chapter and the North Central Ohio Chapter of the American Society of Home Inspectors members.

We ask for your SUPPORT of House Bill 211.

Subject: House Bill 189

The sponsors and supporters of Substitute House Bill 189 assert this bill will reduce student loan debt and help more Ohioans compete for quality jobs leading to career advancement. They would also have you believe there is wide consensus in the industry that supports the drastic reduction in education for a cosmetology license.

Substitute House Bill 189 is driven by a few powerful players in the industry for their exclusive professional benefit. Dramatically lowering the hours for cosmetology licensure is agreeable to the business models of large salons that have extensive training programs, accompanied by restrictive non-compete clauses. National chain salons with low retention rates need to hire large numbers of minimally trained cosmetologists at low wages, in order to maximize profits.

Meanwhile, small independent salons, largely female owned, that comprise nearly two-thirds of Ohio's salons, are not in a financial position to bear the burden of increased on-the-job training that would be required if education is reduced.

Ohio already offers a license for "hair design" requiring only 1,200 hours.

Forty-six states require at least 1,500 hours. Reduction in education will negatively impact the portability of an Ohio license, drastically limiting employment in other states for Ohio's cosmetologists.

The education reduction proposed in Substitute HB 189 would be below all our surrounding states. Ohio's contiguous states, Kentucky, Michigan, and Indiana have 1,500 hour requirements, West Virginia requires 1,800 and Pennsylvania requires 1,250.

According to a study conducted in August, 2016 by the American Institutes for Research, Ohio's licensed cosmetology graduates enjoyed higher employment rates than their counterparts in New York and Massachusetts, states with 1,000 hour requirements.

This is based on data collected by the Bureau of Labor Statistics in May, 2015. This study also revealed that the average student loan debt for a cosmetology student in Ohio is only \$1,074 and \$1,358 more than New York and Massachusetts, respectively. Contrary to proponent and sponsor testimony, reduced curriculum hours do not substantially lower the cost of student loan debt.

The Texas legislature recently rejected a similar proposal to Substitute HB 189. In Idaho, the governor refused to sign a similar bill.

Pivot Point International and Milady, the leading curriculum providers in the industry, do not support curriculum reduction, noting research for a 1,000 requirement is "flawed and lacking in critical information... doesn't take into account important factors such as career longevity".

We were not consulted prior to the introduction of Substitute HB 189 and not invited to the subsequent interested party meetings. We met Representative Roegner at the end of November to discuss her bill. We are therefore extremely disappointed once more that we were not even informed of the changes being sought prior to the sudden introduction of the substitute bill in a hearing to which notice was provided barely 24 hours in advance.

We request that legislators vote against Substitute House Bill 189 and take a stand against big business seeking to manipulate Ohio law for their benefit, to the detriment of Ohio licensees and small independent salons, largely female owned.

Message :

Hello,

My name is Alexis Oberdorf, and I am emailing on behalf of We Are Ohio, which currently is focusing on Right to Work legislation in Ohio. I would like to find a time in the next few weeks to set up a meeting between some of our members and Representative LaTourette preferably in his home district.

The meeting would consist of 3-5 constituents coming to speak on behalf of We are Ohio. The setting should be public preferably (like a public library) but the meeting itself will be private. We are flexible both on meeting time and location! If you could get back to us with some potential dates, we'd be thrilled to move forward with the rest of the details.

We look forward to hearing from Representative LaTourette soon.

Best,

Subject: Pass HB 211 - Home Inspector Licensing Now

Dear Representative LaTourette,

As a REALTOR, and member of the Ohio REALTORS, I am asking for your support to bring House Bill 211 - our top legislative priority for 2018 - to the floor for a vote. House Bill 211 has passed the House Economic Development Commerce and Labor Committee by a 12-2 margin and should be brought up for a vote. House Bill 211 proposes much-needed consumer protections in the home buying process.

Home inspection remains one of the last unregulated acts in the home buying process. The inspection report often serves as the final say in what is undoubtedly the largest financial investment a consumer will make in their lifetime. House Bill 211 simply establishes basic, common-sense standards for education and licensing of inspectors. More importantly, it provides multiple avenues for existing inspectors to continue their business operations.

We are hopeful that with your support, House Bill 211 can be placed on this week's calendar for a vote. Your vote in support of this bill will ensure that when a consumer hires a home inspector, the inspection is being done by a qualified inspector with the knowledge and background to provide a quality inspection report. House Bill 211 is supported by both REALTORS and the Ohio Chapter, Southern Ohio Chapter and the North Central Ohio Chapter of the American Society of Home Inspectors members.

We ask for your SUPPORT of House Bill 211.

Sincerely,

Karen Tonkin-Oani

More importantly, it provides multiple avenues for existing inspectors to continue their business operations.

We are hopeful that with your support, House Bill 211 can be placed on this week's calendar for a vote. Your vote in support of this bill will ensure that when a consumer hires a home inspector, the inspection is being done by a qualified inspector with the knowledge and background to provide a quality inspection report. House Bill 211 is supported by both REALTORS and the Ohio Chapter, Southern Ohio Chapter and the North Central Ohio Chapter of the American Society of Home Inspectors members.

We ask for your SUPPORT of House Bill 211.

Dear Representative LaTourette,

As a REALTOR, and member of the Ohio REALTORS, I am asking for your support to bring House Bill 211 - our top legislative priority for 2018 - to the floor for a vote. House Bill 211 has passed the House Economic Development Commerce and Labor Committee by a 12-2 margin and should be brought up for a vote. House Bill 211 proposes much-needed consumer protections in the home buying process.

Home inspection remains one of the last unregulated acts in the home buying process. The inspection report often serves as the final say in what is undoubtedly the largest financial investment a consumer will make in their lifetime. House Bill 211 simply establishes basic, common-sense standards for education and licensing of inspectors. More importantly, it provides multiple avenues for existing inspectors to continue their business operations.

Subject: Key Vote Alert - SB 220

**OHIO CHAMBER
of COMMERCE**

KEY VOTE ALERT

TO: Members of the Ohio House of Representatives

FROM: Don Boyd, Director, Labor and Legal Affairs

RE: Upcoming Floor Vote on Senate Bill 220

DATE: June 26, 2018

Senate Bill 220 benefits Ohio's businesses and Ohio's business climate by incentivizing businesses to invest in, and maintain, reasonable cybersecurity measures to protect employee, customer, and other private information. This legislation provides businesses who institute a robust cybersecurity program in compliance with the statute an affirmative defense in any tort action, such as negligence, for a data breach. The legislation does not bar a lawsuit but provides the opportunity for a business to provide evidence that reasonable policies and protections were in place to prevent the breach and, essentially, provides guidance as to what is reasonable. Judges and juries would still decide, depending on the unique facts and evidence of a case, whether the business meets its burden to raise the affirmative defense provided under this bill.

Further, the bill provides five factors to evaluate the reasonableness of the business's program including size and complexity of the business, the resources available to the covered entity, and the nature of the personal information to be protected. This allows for scalability across the spectrum of businesses in the state—from small businesses to Fortune 500 companies. The bill also considers the differing nature and needs of businesses throughout the state by allowing the business to choose from a list of cybersecurity frameworks which makes the most sense for that particular business.

The Ohio Chamber of Commerce strongly supports SB 220 because we believe this legislation improves Ohio's legal climate while incentivizing businesses to invest in cybersecurity.

We urge you to vote yes to SB 220. **Please be aware that vote on SB 220 will be reflected in the Ohio Chamber's General Assembly Voting Record.** If you have any questions about this bill or the Ohio Chamber's position, please contact me at (614) 228-4201 or dboyd@ohiochamber.com.
